Swimming: Certified lifeguards are on duty daily. Swimming lessons by certified instructors are available for resident children ages 5 to 12 at no charge. Please call the main office for dates & details.

Boating/Fishing: Fish from the shore or use one of our rowboats, canoes, kayaks or paddleboats for fishing or fun. NYS Fishing license required.

Picnics: Tables and grills are located throughout the grounds and a covered pavilion is also available to rent. The pavilion may be reserved for a function through our main office for a fee.

Games: Currently we have a basketball court and playground and are considering adding a few other games.
