

Now that winter has arrived, the Town Highway Department would like to remind all residents to keep the roads clear.

It's important during inclement weather that all cars should be off the road way and parked on residents property so that the emergency vehicles can travel the roads and snowplows can remove the snow effectively and safely.

Garbage containers need to be on edge of property, not on the Town Streets.

All basketball hoops need to be removed from the road- Town Law prohibits basketball hoops from being placed on the Town's right-of-ways at any time of the year.
