

BOIL WATER ADVISORY LIFTED TOWN OF BRUNSWICK

THE BOIL WATER ADVISORY HAS BEEN LIFTED FOR THE PINWOODS AREA OF THE TOWN OF BRUNSWICK

There is no longer a need to boil your water. The required testing has been done and the results were negative for any bacterial contamination.

Thank you very much for your cooperation. The repairs to the water main on Pinewoods Avenue have been completed the Town installed 40 feet of new 16" water main and a new 16" Valve to help limit the number of homes impacted in the future.

For more information, please contact:

William L Bradley Superintendent of Water, Town of Brunswick 518 279-3461 ext 112
