

Got grass? Mow high!

Make your lawn easier and cheaper to maintain by mowing high—**three inches** is the rule!

The roots of your lawn grow as deep as the grass grows tall, so taller grass has deeper, healthier roots. Keep your lawn 3" or higher and never cut off more than 1/3 of the blade each time you mow.

A healthy lawn tolerates hot, dry weather better—so you won't need to spend your summer watering and fertilizing.

Mow high. **Save time** and **money**.

It's that **easy**.

A partnership of the Huron River Watershed Council, USEPA and MDEQ. Want more information? Call **734-769-5123** and ask for a free tip card, or check our website at <http://comnet.org/hrwc>
