

518 Pajamas is a program that collects pajamas for the Unity House's Children's Holiday Program. This summer we collected over 200 pairs of pajamas at the concert series. The town now has a box in town hall to help collect more. They are collecting new pajamas for children, preferably 4T and up. As you start your Christmas shopping think about donating a pair of pajamas. 518 Pajamas can't do it alone; they need the communities help to make this a success. The collection box is located in Town Hall until Thanksgiving.
