

Supervisor Philip Herrington is pleased to announce the town beach is scheduled to open on Tuesday June 27th.

In order to enter the beach you will need a new beach pass. Beach passes are good for 2 seasons. To get your beach pass you will need to come to the Town Clerk's office with proof of residency. Bring with you the registration for your vehicle and a bill showing your home address.

If you have any question, contact Bill or Lori in the Clerk's office.
