29 Norfolk Street
Troy, NY, 12180

On August 20th, 2020, we received a building permit application for 29 Norfolk Street, for a deck and a pool. The property is in an R-9 zoning district which requires the following setbacks for accessory structures;

Front; 60 feet
Side; 10 feet
Rear; 20 feet

Your property will not meet the rear setback as you will only have 9 feet (37 feet minus the 16 feet from the deck and 12 from the pool)

You may appeal this denial to the Zoning Board Of Appeals which meets the third Monday of each month. Please feel free to call if you need assistance.

Thank you
